

Thank You, CORA, for Being Our Unconditional Support!

It is an honor for our community, Corre La Voz and Hasta Que Se Acabe La Cera, to express our deepest and most sincere gratitude to CORA and all the wonderful people who make its invaluable work and positive impact possible.

Thank you for being a brand that not only takes pride in creating high-quality chocolates that highlight the delicious attributes of Ecuadorian fine-aroma cacao and its traditional ingredients but also for representing the essence of our people. Your strong commitment to protecting the environment and promoting community progress is an inspiration and an example for all of us.

Every strategy, every detail, and every push that CORA has given us has been an opportunity to expand our initiatives, access new opportunities, and improve our processes, allowing our community to grow and thrive within this network of brave women who are unafraid to change their reality and develop their ideas with passion and confidence.

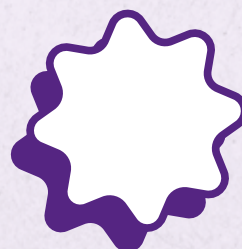

Working with CORA's support has been an enriching experience, full of unforgettable moments and the satisfaction of successfully achieving our goals. Thanks to mutual trust and teamwork, we have overcome challenges together as true allies, making everything seem more possible with you by our side.

Thank you, CORA, for believing in the power of women, for helping amplify the voices of so many incredible entrepreneurs, businesswomen, and professionals. Together, we create spaces for networking and sisterhood.

Our greatest wish is to continue this wonderful relationship and keep moving forward toward a future filled with new goals and shared achievements. Thank you once again for your unconditional support, for believing in our community, and for being part of this great dream.

From heart to heart, a thousand thanks for supporting us!

*With love,
Katy & Gaby*
